

WARRANTY

The normal warranty period for our equipment is one year from the date of delivery.

The warranty is limited to the repair or replacement of any parts recognized as defective by 1515 DESIGN after-sales service, excluding shipping costs.

Labor and travel are the responsibility of the reseller-installer.

The warranty does not apply in the case of intervention by third parties for repairs without an express order from us. It also does not cover glass breakage and lighting lamps.

1515 DESIGN cannot be held liable for the consequences of the misuse of the equipment, the non-observance of the special instructions, the negligence of the staff, the malicious intent or the act of third parties, of an abusive use of the equipment.

In all cases, the guarantee of a device will be suspended if the assembly and connection of this device have not been made in accordance with the regulations and standards in force.

Any other liability for direct or indirect damage is excluded and it cannot also be engaged for accidents caused to persons and things as a result of a defect or defect in the equipment.

Anxious to always improve our production, we reserve the right to modify our models without notice.
